### **Get Your Toddlers Monsoon Ready**

**Chennai, 3<sup>rd</sup> October 2019:** Happymom in association Fortis Malar Hospital is conducting an insightful and interactive session to help prepare parents of toddlers for the monsoons on 05<sup>th</sup> October 2019 between 2:00PM to 4:00PM at Fortis Malar Hospital, Auditorium. **Dr Jayashree Jayakrishnan, Lactation Consultant, Fortis Malar Hospital; Director & Founder - Happymom** will share beneficial tips to avoid common health issues faced by toddlers. The session will also cover a list of ideal foods to be fed to tiny tots (between 6 months to 2 year olds). The detailed session aims to educate the parents to keep track of milestones and developments of the child as well.

For further details regarding this session, kindly contact: +91 8248653940.

#### **About Fortis Healthcare Limited**

*Fortis Healthcare Limited is a leading integrated healthcare delivery service provider in India. The healthcare verticals of the company primarily comprise hospitals, diagnostics and day care specialty facilities. Currently, the company operates its healthcare delivery services in India, Dubai and Sri Lanka with 43 healthcare facilities (including projects under development), approximately 9,000 potential beds and over 400 diagnostics centres.*

#### **About Fortis Malar Hospital:**

*Fortis Malar Hospital was acquired by Fortis Healthcare (India) Limited in early 2008. The hospital founded in 1992, is established as one of the largest corporate hospitals in Chennai providing quality super specialty and multi-specialty healthcare services. Fortis Malar Hospitals, with 180 beds, focuses on providing comprehensive medical care in the areas of Cardiology and Cardiac Surgery, Neuro Surgery, Gynaecology, Orthopaedics, Gastroenterology, Neurology, Paediatrics, Diabetics, Nephrology and Internal Medicine. Fortis Malar Hospital has a state of the art Cath Lab and multiple dedicated cardiac operation theatres and intensive coronary care units. Several rare and complex Adult and Paediatric Cardiac surgeries, Orthopaedic and Joint replacements, Neurosurgeries and Plastic reconstruction surgeries have been performed at this hospital. The hospital's Obstetrics and Gynaecology services are among the busiest in the city, successfully performing many complicated deliveries and surgeries. They are supported by a dedicated Neonatology unit.*
